Dear Community Partner,

Springboard to Learning believes that meaningful, memorable learning experiences transform a child's worldview. It is this belief that fuels our mission to develop children's abilities to think critically, create, collaborate, and communicate.

Annually, Springboard to Learning serves over 25,000 children in the St. Louis area, 88% of whom are under-resourced. Using dance, music, visual and performing arts, and design thinking, Springboard to Learning Teaching Artists provide educational programs in over 100 schools and community venues.

None of this would be possible without your help! Each year, our community partners play an essential role in our success, donating live and silent auction items and premium raffle items such as luxury goods, experiential packages, getaway vacations, gift certificates, airline vouchers, sporting event tickets, and more.

As you plan your budget, we ask you to please consider helping area children and youth by donating a live or silent auction item to Lip Sync Battle – St. Louis, the annual gala to benefit Springboard to Learning. The event takes place on Saturday, October 28th, 2023 at the Skip Viragh Center for the Arts.

Values for live auction items typically begin at \$500, and silent auction items at \$50; however, we welcome gifts of any contribution level! You can donate by filling out and returning the attached form by October 1, 2023. Springboard to Learning is a charitable organization under IRS section 501(c)(3).

If you have any questions, please feel free to reach out by email at lwiser@springboardstl.org, or by phone at 314-768-9670. Thanks so much for your consideration. We look forward to working with you to make the St. Louis metropolitan area a place where all children are passionate, engaged learners who experience success.

Sincerely,

Lauren Wisner
Marketing/Development Manager
