

# Springboard to Learning

*affiliated with the national Young Audiences Arts for Learning network*

## **THE HISTORY OF SPRINGBOARD TO LEARNING**

Springboard to Learning believes that meaningful, memorable learning experiences transform a child's worldview. It is this belief that fuels our mission to develop children's abilities to **think critically, create, collaborate, and communicate**. Springboard to Learning's vision is a future where all children are passionate, engaged learners who experience success.

Springboard to Learning has a combined history of over 100 years as Springboard to Learning and Young Audiences of St. Louis, providing arts-integrated education to over 32,000 under-resourced school children annually. In 2017, we became an affiliate of the Wolf Trap Institute for Early Learning Through the Arts, expanding our services to preschool children and their teachers. In 2022, we further extended our Wolf Trap early childhood services to children ages three months to three years and their caretakers through Baby Artsplay!

Springboard to Learning educational programs are delivered through Teaching Artists with expertise in music, dance, visual and performing arts, design thinking and STEM.

## **GALA ACTIVITIES**

Lip Sync Battle – St. Louis is Springboard to Learning's largest annual fundraising event. The event occurs at the Skip Viragh Center for the Arts, 425 South Lindbergh Blvd., St. Louis, MO 63131, on Saturday, October 28, 2023.

The preview and cocktail party begin at 5:30 p.m. During the gala, a heartwarming video demonstrates how arts-integrated education positively impacts the children we serve.

The highlight of the evening is the Lip Sync Battle competition between local dignitaries vying for the title of St. Louis Lip Sync Champion and the Golden Microphone trophy.

## **THE BENEFICIARY OF THE LIP SYNC BATTLE- ST. LOUIS GALA**

Proceeds directly benefit the children who participate in Springboard to Learning's early childhood, in-school, after-school, and summer arts-integrated educational programs.
