THE HISTORY OF SPRINGBOARD TO LEARNING

Springboard to Learning believes that meaningful, memorable learning experiences transform a child's worldview. It is this belief that fuels our mission to develop children's abilities to **think critically, create, collaborate, and communicate**. Springboard to Learning's vision is a future where all children are passionate, engaged learners who experience success.

Springboard to Learning has a combined history of over 100 years as Springboard to Learning and Young Audiences of St. Louis, providing arts-integrated education to over 32,000 under-resourced school children annually. In 2017, we became an affiliate of the Wolf Trap Institute for Early Learning Through the Arts, expanding our services to preschool children and their teachers. In 2022, we further extended our Wolf Trap early childhood services to children ages three months to three years and their caretakers through Baby Artsplay!

Springboard to Learning educational programs are delivered through Teaching Artists with expertise in music, dance, visual and performing arts, design thinking and STEM.

LIP SYNC BATTLE ACTIVITIES

Lip Sync Battle – St. Louis is Springboard to Learning's largest annual fundraising event. The event occurs at the Mary Ann Lee Theater at the Touhill Performing Arts Center (1 Touhill Circle, St. Louis, MO 63121), on Saturday, October 5, 2024.

The preview and cocktail party begin at 5:00 p.m. During the Lip Sync Battle, a heartwarming video demonstrates how arts-integrated education positively impacts the children we serve.

The highlight of the evening is the Lip Sync Battle competition between local dignitaries vying for the title of St. Louis Lip Sync Champion and the Golden Microphone trophy.
